Principal’s Report
Lesley McCarthy

Welcome back to school for Term 4, an 11 week term culminating on Friday December 21st at 1.00pm. This term is always very busy with camps, Summer Interschool sport, Prep and Year 6 Transition days, Year 6 Graduation and the end of year Instrumental Music concert as well as the engaging teaching & learning, incursions, excursions and fun.

Usually, student achievement reports are issued in the last week, however, due to a breakdown in negotiations between DEECD and the AEU, further industrial action has been set for this term. This includes a ban on providing written comments on student reports. Achievement data will still be reported via the progression point dots on the first page but no comments will accompany this. Teachers who are not members of the AEU will still write full reports for students in their grades.

There is also a half day stop work scheduled for Wednesday October 31st. This will be from 8.45am to 12.38pm. Further information will be communicated as to arrangements for children on that day as soon as possible.

Our students were delighted to be able to access the oval on Monday! Reports were that the grass was thick and soft and although ball games are still not possible due to the ‘youth’ and tenderness of the grass, there were chasey, tiggy, running, sitting and rolling to be enjoyed. More photos on page 3.

Reports from Lake Dewar are that the Grade 3/4 students are having an exciting time and although there was some rain overnight, activities are going ahead as planned. The bus trip was uneventful and everyone slept well last night. The buses are due to return to school tomorrow afternoon at approximately 3.45pm, depending on traffic from Myrniong. An announcement will be made at 3.30 if the buses are delayed, please do not ring the office to query the arrival time.

Next Tuesday the Grade 5/6 students depart for their trip to our nation’s capital, Canberra, for an adventure through history, politics and place. Parents and students are reminded that the bus will depart at 7.30am and will not wait for latecomers.

Sun smart
Welcome back,
It’s that time of the year when all children need to be wearing a broad brimmed hat whenever they are outside.
If a child is not wearing a hat then they will be asked to spend their recess and lunch times in the outdoor learning area next to the amphitheatre. It is more fun to have that hat on!
For those who continually have no hat or are found to be outside after being asked to stay in the outdoor learning area will be sent to the office.

Parking and collection of children
Once again I would like to give parents a friendly reminder regarding the collection of children, particularly at Flemington St. Please remember that it is a street and that other drivers are trying to use the road, currently we have a number of parents who tend to double park and leave their cars, others who sit in their cars in positions that actually block free flowing traffic and we end up with cars backed up to Mt Alexander Rd and to the swimming pool.
The teachers on duty are not traffic wardens and should not be expected to ask parents to drive and park carefully as well as move on. Our job on yard duty is to ensure the safety of the children while they are waiting to be collected.
Be aware that the council do not always make themselves known to us and do randomly come to the area and take people’s registration numbers. Please remember that it is the driver’s responsibility to drive and park according to the Victorian road rules.
Also please do not park in the Teacher’s car park in the morning. The teachers are required to park all day and there is only restricted parking around the school throughout the day.

24 Hour Sacrifice

Thank you to everyone who participated in the 24 Hour Sacrifice last term. We were able to raise an amazing total of $811.55 for World Vision Australia. This is a great effort and we are so pleased that we have been able to help out those communities that are experiencing famine. We will announce the winner (the largest funds raised!) at assembly on Monday!

MOBILE MUSTER - 4 WEEKS TO GO!

There are just 4 weeks left to get your old mobiles and chargers into this year's Mobile Muster collection. We have already filled 2 printer paper boxes full of old mobiles and chargers. Today we started on box number 3! It would be great if we could fill it too. We have until Friday November the 1st (the last day of week 4) to try.

Thanks to those students and families who have donated already. If you haven’t started collecting yet, now is the chance! Don’t forget that by donating you are not only helping the environment, you are in with the chance to win some great prizes.

Happy collecting!
