Principal’s Report  
Lesley McCarthy

The whole school transition session on Tuesday morning was very successful with the new Prep students meeting their teachers, classmates and their Year 4 Buddies. Thank you to the Hub parents who assisted with the welcome morning tea.

Students across the school also moved up to their 2013 grades, classrooms and teachers with many very excited and some nervous students. By recess everyone was smiling and comparing groups and the excitement of new opportunities next year. 2013 classroom teachers are listed on Page 3.

It is with sadness we farewell Kate Tyson, Richard Weissel and Danielle Wakeling. Kate is returning to her home town of Launceston after many years in Melbourne, Danielle is off to teach at PEGS and Richard is taking some time to be with his family. We thank them for their work at Flemington and wish them all the best for the future.

We thus welcome 3 new teachers for 2013; Yvette Montgomery, Jessica Levett and Mark Catterson. Yvette completed a preservice placement here last year, Jessica comes from Robinvale and Mark from Melton West.

Yesterday we welcomed all parent helpers to morning tea in the hall foyer. This is just a small thank you to those parents who contribute so much time and effort into helping make our school such a wonderful place. Without parent assistance, whether as classroom helpers, on excursions, camps or at swimming, selling icypoles, special lunches, at the HUB, Recumbent Bike & Solar Boat and the myriad of other events needing support, students and teachers would not be able to do all the things we do.

So THANK YOU ALL!

Prep students had their Twilight Day yesterday which is their introduction to the school camping program. After arriving at school at recess time, they had a different day culminating in a BBQ prepared by Vince Andreana. Their day was full of excitement and a lovely end of year activity.

Office News
Office Hours, 8.30am – 4.00pm Monday to Friday
DESPERATELY SEEKING SUSAN OR …………-
UNIFORM SHOP VOLUNTEER
Our current volunteer parent Pam will be leaving our school after many years of service. As such a vacancy exists to help in our uniform shop. You would need to volunteer around 2 hours per week over a morning and afternoon on 2 different days.

Currently, the shop is open Monday morning and Thursday afternoon but we are flexible with days. Duties include helping with uniform fittings, filling orders, collecting money and advising the office when stocks needs ordering.

In appreciation for your time and service, some expenses are waived for one child. If you are interested in finding out more about this position please see the office staff or feel free to meet with Pam when the uniform shop is open. A Working With Children Check is mandatory.

If you are a current EMA recipient, please remember to return your completed forms immediately.
EMA forms for 2013 together with 2013 Booklist and essential education expenses were distributed recently and these were due back Friday 30th November. Please note, a copy of your current health care or concession card is required.

TAKE HOME READERS
Dear Parents,
We are collecting all our take home readers for the end of the school year. Can you please take the time to look around your child’s room for any misplaced take home reader books.
(They are the ones with the coloured sticker on the back!)
We appreciate your support.

CASEA

Our school has invited the CAMHS and schools: Early Action Program (CASEA) to be part of the community for 2 terms.

http://www.rch.org.au/mhs/services/Services_CASEA/

The CASEA Program is an Early Intervention service for young children (Prep to Grade 3) who present with challenging behaviours. CASEA is a program developed by The Royal Children’s Hospital Integrated Mental Health Program and funded by the Mental Health Branch of the Department of Human Services.

The program offers:

- A universal behavioural screen for all children in Grades prep-3
- Professional development seminars for all teachers and school staff
- Classroom behavioural activities for all children through our CARE program
- Group programs for selected children and parents

Parents of the children aged Prep to Grade 3 can expect additional information, a permission form, and a questionnaire to be sent home with their child the first week back next year.

The Giving Tree

Flemington Primary School is fundraising for the Anglicare Food and Toy Appeal.

Please give toys and food for those who need it. You can buy for any age! Please write the age and gender on your present.

You simply place your gift in the box in your classroom. On Monday 17th December at our carols, the presents will be presented to a representative from Anglicare. Help us make another life happier!

Thank you

Lily Z and the SRC team!

The gifts will be presented to a representative from Anglicare at the School Carols Ceremony on Monday 17th December.

Parents are welcome to attend the Carol’s Ceremony commencing at 2.30pm in the hall.

Grade 3/4 composite classes

Composite classes are not new; in fact we have always had composite classes at Flemington PS depending on the number of students in a year level. While we are required to limit the number of students in Prep-2 to below 23, we are funded at 25 students per class, so grades 3-6 are always larger. Unfortunately student numbers did not allow straight grades in 2013; there are 64 children in grade 3 and 62 in Grade 4, insufficient for straight classes.

Teachers are also adept at differentiating teaching to the needs and abilities of their students. In any class there will be a spread of abilities from those working above expected level to those working below which is why teachers group students by ability from Prep onwards. Ongoing assessment identifies growth and then the areas for a teaching focus.  

http://caroltomlinson.com/  
http://www.readingrockets.org/article/263/

Weekly and term curriculum is planned by all teachers working in a team to ensure that every student in a year level is taught the same content. Assessment is built in at the beginning of the planning and a range of pre testing takes place prior to a new concept being taught. Literacy and numeracy are always targeted at individual students’ reading or maths abilities and that will not change.

Term units follow a 2 year planner so children do not cover the same work each year, and with the implementation of Australian Curriculum next year, much of the curriculum content will change.

The year level newsletter sent home at the commencement of each term will continue to provide the information about the work and the Meet The Teacher event will be held early in February.
STUDENT RECOUNTS - Grade 2 Camp

The Best Camp Ever!

It was a rainy day on the day we went to camp. I got to school at 8.20 am and we left at 8.26 am. We arrived at camp at 10.00 am. When we got to camp we had morning tea and moved into our rooms then it was time for our first activity. It was... the giant swing. I liked that activity. After that we went back to the dining hall and had lunch.

After lunch we went yabbying. After yabbying we counted the yabbies and we got 73 yabbies some of them were big and some of them were small. Yabbying was my favourite activity.

After that we went to orienteering and bush cooking it was lots of fun at bush cooking. We made damper and cooked marshmallows.

Camp was BRILLIANT! I can’t wait for next year!

Grade 2 Camp

On Tuesday I woke up really early and got dressed straight away and then realised that it was 6:00 am! I went down stairs to see Dad. He told me how early it was so I went back upstairs and read a bit of my book.

Once I got ready and got to school with all my stuff, I waited in the hall before getting onto the bus and leaving. I was sitting next to George and we were talking and telling jokes until I saw a sign saying Bacchus Marsh and then one saying Lady Northcote Camp. Before I knew it, I was off the bus and having morning tea.

We met a man named Dave and he told us about himself and our cabins. We moved into our cabins and sorted out our stuff. Then we went back to the main hall and Dave told us what to do. We went to our first activity (we were in 4 groups). My group’s first activity was the giant swing. After the first activity we had afternoon tea.

After afternoon tea I moved onto the second activity which was Yabbying. Brendan’s group did yabbying before us and they caught 9 yabbies. I thought that was a lot but after we finished yabbying and counted our yabbies our group realised we had caught 73! The other people I told didn’t believe me but it was true!

We started the next day with bush cooking. We made damper and roasted marshmallows. Next we did orienteering; my group were one of the first to finish. On the way back, we watched a movie on the bus and before I knew it we were back at school! Everyone had a great time and had heaps of fun.

The amazing camp

On Tuesday the 27th of November, it was an early start because the grade 2’s was going on their first camp (Yay). As we were going to hop on the bus it was pouring rain. It was a long drive but we had lots of things to do. We finally arrived and a person told us what we would be doing and the rules. Then we got muffins which were deeeelicious. Soon after we were told who was in our cabin I got Beth, Olivia and Lainie. After that we went to unpack our bags and settle in. Then we decided who was on the top bunk (Olivia and I got to be). After that, Mrs Sheldon gave us a camp booklet that said what activity we were doing and who was our activity teacher. Mine was Richard.

Then we went to do our first activity which was orienteering. It took so long but we had a map. We could not find the number 1 marker because it got pulled down. Our second activity was bush cooking we cooked damper. I burnt mine but it was still nice. Richard bought marshmallows they were so nice. When we got back we got to have a shower because some of us smelt like fire. After we were nice and clean we watched a movie the movie was the Lorax. Unfortunately, after that we had to go to bed.

In the morning my group had to set up for breakfast we had bacon and eggs, cereal and toast. After that we went on our third activity which was the giant swing. I went up to the top I had butterflies in my tummy. When that was finished we did yabbying my group got 10 yabbies. Soon after that we had to go home. On the way home there was a movie called Hood Winked 2. Then we arrived at school. It was hot so Mrs Sheldon got icy poles for us all. Then our Mums and Dads came to pick us up and we went home. Everyone had fun at camp!

Grade 2 Camp

On Tuesday I woke up forgetting that it was grade 2 camp. I had breakfast and went to school and we went into the hall and we got on the bus. I sat next to Marcus. When we got to camp we went into our cabins. In my cabin there was Marcus, Aymane and Boyd. Then we did yabbying and Jorja fell in the lake. We caught 9 yabbies. Soon then we did orienteering we did boys on a team and girls on a team. Then we had dinner and after that we got in to our pyjamas and watched the Lorax.

The next day we had bacon and eggs for breakfast and then we got in to our next activity. It was bush cooking and then we had the giant swing. Then we had lunch and we got on the bus back to school.

On Tuesday I went to camp. I was excited. After 2 hours on the bus, we were at camp. Trona and Nasra were in my cabin. We were so excited to sleep in a cabin.

We all had bunk beds. Nasra and Trona were sleeping on the top. I was sleeping on the bottom. We were there for 2 days and 1 night.

My favourite activity was the giant swing and yabbying. We went to sleep at 9:30 pm and we woke up at 6:00 am.

At camp we had breakfast, lunch and dinner. We had a great time.

FLEMINGTON PRIMARY SCHOOL...

Flemington Primary School is a green school. FPS loves the words GLOBAL WARMING, so they will do anything to prevent that from happening.

Bullying is:
- Physical – beating up, hitting
- Verbal – teasing, name calling,
- Cyber - face book, email, text
- Exclusion – discrimination
- ALL THE ABOVE

We surveyed 17 people and the results were:
9 people have been bullied, and the other 8 people haven’t.
7 people believe bullying is teasing, 5 believe it’s physical – hitting, 2 think it’s cyber and only 2 think bullying is all those things.

Bully at your own risk

Help us so we can stop bullying all together!

Bullying has a big impact on many children around the country. They can become depressed.

If you want your Child/Children to have a better Education, then come on down to Flemington Primary. They’ll have a lot of friends and a lot of fun!!!

Hub News
Karin.moore@iinet.net.au

The Hub is very proud to report that we have had the most successful year ever for fundraising at the school, with approximately $40,000 having been raised throughout the year. The Fete in April was a highlight, and $25,000 was spent on the re-turfing of the oval.

The Biannual senior camp to Canberra was subsidised by approximately $5000, and some new kitchen equipment was purchased for the Hall to provide different catering options for school lunches and functions.

Our Christmas Cake drive is still on and all funds from that as well as funds from icy poles will be going towards purchasing new Prep-2 take home readers.

The Grade 6 Graduation Ceremony will become an annual Hub funded event from this year, which provides a small Graduation gift for all students.

We have also hosted the Welcome BBQ, prep transition day and first day of school morning teas as well as Special Lunches.

We welcome your ideas and input for future fundraising activities and contributions of ideas for the wish list for items or grounds improvements.

We would like to thank everyone for their ongoing support and welcome you all to the break up BBQ and Champs in the Park from 12pm on Friday 21 December at Calwell Park on the corner of Mangalore St and Cashmere St.

After the final assembly and school finish at 1pm the children are invited back for a sausage and cool drink.

CHRISTMAS CAKE ORDERS

Parents and friends of The Hub have been busy baking Traditional Christmas Cakes for you to enjoy. We have only made a limited number of cakes and these are available for preordering via the form attached to the newsletter.

All cakes will be gift-wrapped and will be ready for collection on 16th December 2012 at the Flemington Farmer’s Market, or from the canteen during icy pole sales on 17 December.

The cakes are valued at $35 each.

All proceeds will go directly towards Prep – Year 2 home readers. Get your order in fast!
LIBRARY CHAMPIONS 2012

Leonie and Vanessa are thrilled to give congratulations to our Library Champions for 2012. Mrs McCarthy presented our champion readers with a special certificate at this week’s assembly. There was much anticipation in the student audience and a huge round of applause when each winner was announced. The winners were:

Prep – Evie, Grade 1 – Patrick, Grade 2 – Mia, Grade 3 – Amelie, Grade 4 – Kellie, Grade 5 – Yusra and Grade 6 – Lifi.

All these students have shown fantastic dedication with borrowing and returning their books on time. Also, it has been wonderful this year to see many students increase their borrowing and interest in the 8,000 (or so) books we have for loan in the Library! The top 10 borrowers in each year level will receive a special sticker on their Library card next year acknowledging their effort.

TOP BORROWERS 2012
Congratulations!
**MOBILE MUSTER – THANKYOU**

2<sup>nd</sup> place in Victoria and 4<sup>th</sup> place in Australia!

Yes, that’s right; Flemington PS came 2<sup>nd</sup> in this year’s Mobile Muster (4<sup>th</sup> across Australia). A huge thanks to the school community for donating so enthusiastically this year!

I have been blown away by the support and couldn’t believe my eyes when I saw our final placing.

Many students and families participated in the Muster by bringing in old mobiles and chargers. A special mention to our top student collectors for the year:

1. Imogen Labbett - PM (48)
2. Andrew Smith - 2R (32)
3. Thomas Barnett - 1M (13)
4. William Marshall - 4D (10)
5. Luke Lee-Archer - 1M (9)
6. Holly Nilsson - 1M (7)
7. Nasreen Hussein - 2W (7)
8. George Robertson - 2S (6)
9. Gebrem Aderajew Teferi - 2S (6)
10. Aidan Pigdon - 4M (5)

Some of the prizes we have won include a $40 scholastic Voucher, $20 Officeworks voucher, MP3 players and pencil packs.

Mobile Muster are sending out the prizes (which hopefully make it here before the holidays) and I will be forwarding these onto our top collectors when they arrive.

Thanks again to all of the students, parents and teachers that participated in our most successful year of the program so far.

InTouch Newsletter
Less than one in five Victorian kids walk to school regularly – less than half that of 1970 levels – at a time when childhood obesity is rising to epidemic levels.

What’s so good about walking?

The Australian Department of Health and Ageing recommends children accumulate at least 60 minutes (and up to several hours) of moderate to vigorous physical activity every day. Not surprisingly, children who walk, cycle or scoot to and from school have higher levels of physical activity and improved cardiovascular fitness than children who don’t.

Walking time is also talking time for parents and children: when the stress of keeping your eye on the traffic is taken away, it’s easier to talk to your children about what’s happening at school and in their lives.

Walking’s also great for the community and the environment. Choosing to walk instead of drive reduces congestion-related noise, air and visual pollution.

Isn’t walking to school risky for kids?

We definitely encourage parents to walk to school with their younger children – and gradually build up to letting children walk on their own as they get older.

Common parent concerns about letting their children walk to school alone – such as perceptions of stranger danger, traffic concerns and neighbourhood crime – fade away when parents walk with their children from a young age, teach them about walking safely and gain confidence in their children’s safety sense.

Walking helps children develop their motor skills, increase their coping skills, self-esteem and social skills.

Walking School Bus® is a trademark of the Victorian Health Promotion Foundation (VicHealth)
