Dear Parents

Before June 30th we often think about what tax deductions we may have. This is the opportune moment for you to think about how you could help both the school and yourself.

A donation to Flemington Primary School is a legal tax deduction.

- Donations to the Building Fund may be used to maintain or construct school buildings.
- Donations to the Library Fund may be used to purchase books and materials for the school library.
- The materials for the library may include DVDs, computer software, computers and other items.

We would be very grateful for any support and also pleased to assist you.
Receipts are always issued.
