MUSIC DEPARTMENT Invitation to join a School Ensemble

Date: _____

Dear Parent,

It is an objective of the Flemington Primary School program that all students in the Instrumental Music Program are encouraged to take part in an Ensemble once their skills develop sufficiently. Making music in a group situation is a lot of fun and develops the student's musicianship skills in many ways. Performing in a group situation is also often less threatening and helps the students develop confidence and positive self esteem.

Your child's teacher _____ has indicated that _____ has progressed to a level of proficiency that would enable him/her to participate in the _____ ensemble.

This ensemble rehearses each _____ lunchtime from 1.40 to 2.05 pm. As a member of this group, it is expected that _____ attend rehearsals regularly and performs in the instrumental concerts organised by the school.

A fee of \$130.00 per year is charged to cover the salary of the instrumental teacher and the purchase of music and other resources that the ensemble requires. If you would like your child to join the above ensemble please complete the form below and return it to me. You will be invoiced for the yearly fee later in the term.

Consistency of membership is paramount for the skills of the participants and the ensemble to develop and progress. As such, it is expected that students will participate in the ensemble for the whole year and hopefully progress to the senior ensemble in due course.

Vern O'Hara
Instrumental music co-ordinator
