

YEAR 1

October 11, 2021

Dear Parent/Carer,

Flemington Primary School is looking forward to another great year of teaching and learning and would like to advise you of Flemington Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Below are some examples of what our school was able to offer in 2021 with your support:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Upgrade of the first aid room
- Upgrade and purchase of additional IT devices for student loans during Covid lockdowns and classroom sets
- Refurbishment of school grounds, with particular focus on the bike shed and commencement of the Science room
- Upgrade and purchase of classroom readers and library books

Please find below Flemington Primary Schools voluntary financial contributions schedule for 2022, which includes an overview of what your support will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached or on the school's website, under policies.

Yours sincerely,

Amanda Williams
