School Choir Membership 2024

Dear Parents

The **Junior and Senior Choirs** will recommence during week 3 of Term 1, 2024.

If you would like your child to either continue to sing in the Junior or Senior Choir, or to join either Choir, please complete the membership form below and return it to me. It can be given to me directly or placed in my pigeon hole. The **annual fee** for membership of the choirs is **\$85.00 per year**. This will be added to your Term 1 invoice on compass pay (*more information on this payment method will be forthcoming*)

Our aim in Choir is to develop good singing and sight-reading skills, and to learn to sing rounds, part-songs and to sing in harmony. These are skills which take time to develop and are necessary for the development of a good Choir. In Choir your child will also develop his or her aural, concentration and co-operation skills and experience the joy of singing with others and performing. In order to develop a good Choir, stable membership is important, so we hope your child will join for the full year but we expect a minimum commitment of one term, or if we are working towards a concert, until after the concert. The Choirs perform at the school's Instrumental Concerts, Christmas Concerts, State School Spectacular and other community events.

There will be a limit to the number of members in the choir and priority will be given to the older students if we exceed this number. At this stage I anticipate Junior Choir to be open to students from years 1 & 2 and Senior Choir to be open to students from years 3 to 6. This may change depending on the interest level from the different year levels.

Junior Choir will rehearse on Mondays from 1.40 pm to 2.05 pm.

Senior Choir will rehearse on Thursdays from 1.40 pm to 2.05 pm.

At times, choir rehearsals may not take place as certain other school events and rehearsals for the school concerts will take priority.
