

# Regarding learning programs at Flemington Primary School

Dear Members of our School Community,

20/3/20

I hope that this message finds you well. FPS remains open. This communication contains an outline of how we will move forward as a school and community in the event of a school closure and how we will support families with learning who have chosen to isolate already.

Today all students will be sent home with a 'home learning' book to record their learning. This is to be used if we close. Upon return to school, all students will be required to return their 'home learning' book, for assessment and feedback purposes. If your child is not at school, please come and pick it up at our office or organise for someone to assist you. Contact us if you require some help.

In the event of a closure, we will be using ClassDojo as the platform for all learning and communication with teachers regarding learning. Teachers will offer learning experiences, materials and support aligned with our essential learnings via ClassDojo. On ClassDojo you will receive daily lessons and feedback on student learning (where applicable).

In the event of a closure, FPS Instrumental Music teachers will be teaching using Zoom. Information regarding how to use Zoom will be sent home to all involved families.

**All information regarding Flemington Primary School will be communicated via Compass. Parents are expected to read Compass updates and understand that Compass is the only channel for all official school communications.**

We understand that not all of our families have internet access or devices in their home. Teachers will plan activities to support these students and we have allocated staff to support these families.

If families choose to isolate, an information sheet with suggested Literacy and Numeracy activities will be provided. Please note that teachers are still teaching and will not implement the Remote Learning program until the school is officially closed.

We will continue to keep you informed about any further developments. I would like to say a huge thank you to all of the parents-carers who have sent personal and emailed messages of support to our FPS team and myself. It has been overwhelming! We are so incredibly proud of how our teachers are working to teach the students in front of them, assisting families in isolation and developing a comprehensive remote learning delivery. Their positive attitude to this new climate and their own new learning has been nothing but admirable!

## **CORONAVIRUS (CONVIT-19) ADVICE**

If you require further advice or information on the emerging outbreak please visit <https://www.dhhs.vic.gov.au/coronavirus>

If you have any further questions please contact the FPS office or FPS email.

Yours sincerely,

Amanda Williams- Flemington Primary School Principal
