Dear Members of our School Community,

The Premier released a statement yesterday afternoon that the school holidays have been brought forward in Victoria, starting tomorrow- Tuesday 24th March, as part of sweeping measure to combat the spread of COVID-19.

Parents and carers who are essential services workers such as health, police, corrections and emergency services who are actively required at work can contact FPS via phone or email to discuss care and supervision of their child/children this week and the holiday period. DET will work with you to determine the level of provision of holiday programs required. Please note that this is only for parents/carers who are essential services workers.

We will be in contact with families across the coming weeks with further updates on Compass. We will also be checking emails over the holiday period to the FPS email [Flemington.ps@edumail.vic.gov.au](mailto:Flemington.ps@edumail.vic.gov.au).

**CORONAVIRUS (CONVIT-19) ADVICE**

If you require further advice or information on the emerging outbreak please visit <https://www.dhhs.vic.gov.au/coronavirus>

We will continue to keep you informed about any further developments and do appreciate your understanding at this time.

If you have any further questions please contact the FPS office

Take care and keep safe,

Principal
