

FLEMINGTON PRIMARY SCHOOL

RESPONSIBLE USAGE DIGITAL DEVICES: STUDENT AGREEMENT

I agree to be a responsible user of digital devices at school. As a responsible user I agree to:

- Use devices such as. iPads and computers at school only for learning related activities
- Make sure the contents of my work and any files stored are appropriate and safe including photos, movies, messages, email, webpages, apps and files.
- Ask permission before capturing, storing or uploading any photos, videos, audio recordings or files that belong to, or include any other people.
- Be polite and respectful of others I will not use devices to harass or bully others.
- Immediately report any inappropriate behaviour or misuse of technology to a teacher.
- Keep my passwords and personal details private I will not reveal personal information over the web including: full name, address, phone number, email address and photos / videos of myself or others.
- Never try to log on as, or pretend to be someone else.
- Look after the digital devices eg. iPad or computer at Flemington Primary School to ensure it does not get damaged, lost or stolen.
- Not use devices at school outside of class time or in the playgrounds, unless my teacher has given permission.

I have read these commitments and understand that any breeches to this agreement may result in restrictions to my use of digital devices at school.
